## Languages

Language	Lines
python	71032 (94.29%)
sh	3655 (4.85%)
ansic	648 (0.86%)

## Totals

Total Physical Lines of Code (SLOC): 75,335  
Estimated development effort: 17.31 (207.72) person-years (person-months)  
Schedule estimate: 1.10 (13.18) years (months)  
Total estimated cost to develop: \$ 2,338,323  
Please credit this data as "generated using 'SLOCCount' by David A. Wheeler."
